## Looking for New Members!

The Friends of the Columbia Library, Inc is non-profit organization that meets throughout the year to discuss ways to help the Columbia Library. If you love the library (and we know you do!) then we need your help! The time you contribute not only benefits the Library, but also Columbia Station as well. You play an important role as a link between the community and the Library.

Membership Benefits: In addition to helping the Library, as a member, you will receive mailing of our newly designed newsletter the "*Friends Highlights*" and be authorized to attend the "Friends Only" Preview Book Sales.

***Volunteering provides a sense of personal satisfaction, the ability to meet new people and develop new friendships. It may only take a few hours a month but the paybacks will be priceless and you may develop friendships that last a lifetime.***

Call or email me if you would like to discuss membership or simply fill out the application and mail to the address above.
